PROFILE

A seasoned “big firm” litigator, Scott focuses on four specific areas of litigation:

- (1) representing beneficiaries, professional and corporate fiduciaries in contested trust, estate and probate litigation matters, as well as related estate administration issues
- (2) representing individual and institutional investors and financial institutions in investment fraud investigations and securities litigation
- (3) representing financial industry employees in employment litigation and investigations, CRD expungement matters, registration and reporting disputes, and regulatory/enforcement/white collar investigations
- (4) and business litigation
